

PP capacitors

SOUNDCAP

01/03/2017

POLYPROPYLENE FILM CAPACITORS - 5% - AXIAL

AZX – 275V**AZY – 475V**

Heads metallized with ALUMINUM/ZINC alloy for the best frequency response
 NON – INDUCTIVE construction
 Excellent heat dissipation
 Small size

1,0 to 10uF

0,47 to 47uF

MZY – 350V**MZZ – 550V**

Heads metallized with ZINC alloy for the best current handling
 NON – INDUCTIVE construction
 Exceptional response to impulse current
 Reduced ESR in audio frequency range

1,0 to 22uF

0,47 to 22uF

Engineered by:
